UTAR Hospital T&CM Centre

Since it started in April 2022, the UTAR Hospital T&CM Centre has received close to 13,000 patient visits to the Centre for consultation and treatment. The T&CM Centre is increasingly gaining recognition from patients across the country from as far as Penang, Terengganu and Johor. There are currently 11 resident TCM practitioners and 10 visiting practitioners working at the T&CM Centre.
