

UTAR Hospital is now up and ready

The building construction of UTAR Hospital is already completed. The commissioning and training exercise for most of the major hospital equipment has been completed. The training of staff is on-going. Inspections by the Ministry of Health were carried out on 22 February 2023. The hospital is expected to commence operations in the middle of 2023, after obtaining approval and the operations licence from the Ministry of Health.

For UTAR T&CM Centre which started its operation in April 2022, up to end of March 2023, it has received over 20,000 patient visits from different parts of Malaysia; including those coming from as far as Kedah, Penang, Selangor, Kuala Lumpur, Melaka, Johor, East coast and East Malaysia.

Our sincere thanks to all the donors for your kind contribution to the construction of the hospital. We deeply appreciate all the support received. For those who are interested in donating to support the operation and development of the hospital, please visit www.utar.edu.my/uef.

UTAR Hospital is in the process of recruiting medical consultants, doctors, nurses and support staff. Those interested can email: vacancy@utarhospital.org.my, call 05-4620130 or WhatsApp 011-55862133
